

Forecast For Wales
Issued by Met Office Exeter
at 1600 on Saturday 25 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Turning drier and clearer, remaining mild.

This Evening and Tonight:
Persistent rain will affect the country this evening, this will become restricted to the northeast by the end of the night with drier and clearer weather behind.
Minimum temperature -1 deg C (30 deg F).

Sunday:
A much brighter day on Boxing Day with some heavy showers at times across the region. Some sunny spells are likely by the afternoon, another mild day in the south. Maximum temperature 8 deg C (46 deg F).

Outlook for Monday to Wednesday:
Drier through Monday and Tuesday, though murky at times with some rain in the south. Some sunshine possible through the afternoons. Turning exceptionally mild but wet on Wednesday.
